- (a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated on the Common Area;
- (b) The right of the Association to suspend a Member's voting rights and right to use the recreational and other facilities owned or operated by the Association, for any period during which any assessment against his Lot or any other sum due the Association by him remains unpaid; and for a period not to exceed thirty (30) days for any infraction of its published rules and regulations;
- (c) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members;
- (d) The right of the Association to limit the number of guests of Members; and,
- (e) The right of the Association to encumber and secure debts against the Common Areas or a portion thereof to maintain, improve or construct facilities thereon or to refinance any debt secured by such property.

Section 2. Delegation of Use: Any Owner may delegate in accordance with the By-laws of the Association, his right of enjoyment to the Common Area and facilities to members of his family, or his tenants, who reside on the Lot owned by him. If a residence is leased, then the lessee shall have the use of the Common Area, and the lessor shall have no rights to the Common Area. The Declarant, for each Lot

owned within the Subdivision, hereby covenants, and each Owner of any Lot, by acceptance of a Deed therefor, whether it shall be expressed in the Deed or other evidence of the conveyance, is deemed to covenant that any lease executed on a Lot shall be in writing and contain provisions binding any lessee thereunder to the terms of this Declaration of Covenants, Conditions and Restrictions and any rules and regulations published by the Association applicable to the Lot and further providing that non-compliance with these terms of the lease shall be a default thereunder.

Section 3. Notwithstanding the above, the Declarant reserves the right to grant, convey, dedicate or reserve easements over, on or under the Common Area for utility services.

### ARTICLE III

#### Membership and Voting Rights

Section 1. Membership: Every person or entity who is a record owner of a fee or undivided fee interest in a Lot which is a part of the Subdivision, shall hold a membership in the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of a Lot, except as to a lessee. Ownership of a Lot shall be the sole qualification for membership, except as to a Lessee. Any Mortgagee or lienholder who acquires title to any Lot which is a part of the Subdivision, through judicial or non-judicial foreclosure, or by voluntary reconveyance of the property from its debtor shall be a Class B Member of the Association.

Section 2. Voting Rights: There shall be two classes of membership entitled to voting rights in the Association and they shall be as follows:

- (a) Class A: All Members in the Association, other than Declarant or Mortgagee, shall be considered Class A Members, and for each Lot owned shall be entitled to one vote on each matter coming before the Members at any meeting or otherwise, unless their voting rights have been suspended by the Board of Directors as hereinabove provided in Article II, Section 1(b). When a particular Lot is owned by more than one individual or entity, all the individuals or entities holding an ownership interest in that Lot shall be considered Class A Members, however, for that particular Lot they shall be entitled to a total of no more than one vote on each matter coming before the Members at any meeting or otherwise. The vote for such Lot shall be exercised as they among themselves determine.
- (b) Class B: Class B Members shall be those individuals or entities who are herein defined as Declarant or Mortgagee, and for each Lot owned they shall be entitled to fifty votes on each matter coming before the Members at any meeting or otherwise. When a particular Lot is owned by more than one such individual or entity, all such individuals or entities holding an ownership interest in that Lot shall be considered Class B Members, however, for that particular Lot they shall be entitled to a total of no more than fifty votes on each matter coming before the Members at any meeting or otherwise. The fifty votes for such Lot shall be exercised as they among themselves determine. Once a Lot is sold to an individual or individuals who would be classified as Class A Members, the

fifty votes attached to that Lot shall be extinguished. All Class B Memberships shall cease and be automatically converted into Class A Memberships on the happening of either of the following events, whichever occurs earlier:

- (i) When the total number of votes entitled to be cast by the Class A Members at any meeting of the Members or otherwise equals the total number of votes entitled to be cast by the Class B Members; or
- (ii) Ten (10) years from the date this Declaration of Covenants, Conditions and Restrictions is filed with the County Clerk of Comal County, Texas, for recordation in the Deed Records of Comal County, Texas.

#### ARTICLE IV

##### Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation for Assessments: The Declarant, for each Lot within the Subdivision which shall be or thereafter become subject to the assessments hereinafter provided for, hereby covenants, and each Owner of any Lot which shall be or thereafter become assessable, by acceptance of a Deed therefor, whether or not it shall be expressed in the Deed or other evidence or the conveyance, is deemed to covenant and agree to pay the Association the following:

- (a) Annual or monthly assessments or charges;
- (b) Special assessments for capital improvements; and
- (c) Any other sums to the extent they are specifically provided for elsewhere in the instrument.

Such assessments or charges are to be fixed, established and collected as hereinafter provided. These charges and assessments, together with such interest thereon and cost of collection thereof, as hereinafter provided, shall be a charge on the land and shall be secured by a continuing Vendor's Lien upon the Lot against which such assessments or charges are made. Each such assessment or charge, together with such interest, costs, and reasonable attorney's fees shall also be and remain the personal obligation of the individual or individuals who owned the particular Lot at the time the assessment or charge fell due notwithstanding any subsequent transfer of title to such Lot. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments: The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the Subdivision. Without limiting the foregoing, the total assessments accumulated by the Association, insofar as the same may be sufficient, shall be applied toward the payment of all taxes, insurance premiums, assessments by Summerwood Property Owners Association, Inc., and repair, maintenance and acquisition expenses incurred by the Association and at the option of the Board of Directors of the Association for any or all of the following purposes: lighting, improving and maintaining streets, alleyways, sidewalks, paths, parks, parkways, and esplanades in the Subdivision; collecting and disposing of garbage, ashes, rubbish and materials of a similar nature; payment of legal and all other expenses incurred in connection with the collection, enforcement and administration of all assessments and charges and in connection with enforcement of this Declaration of Covenants, Conditions and Restrictions; employing policemen or watchmen and/or a security service; fogging and furnishing other general insecticide services; acquiring and maintaining any amenities or recreational facilities that may be operated in whole or in part for the benefit of the Owners; and doing any other thing necessary or desirable in the opinion of the Board of Directors of the Association to keep and maintain the property in the Subdivision in neat and good

order, or which they consider of general benefit to the Owners or occupants of the Subdivision, including the establishment and maintenance of a reserve for repair, maintenance, taxes, insurance, and other charges as specified herein. Such funds may also be used to repair, maintain and restore abandoned or neglected residences and Lots as hereinafter provided. It being understood that the judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith. It is also specifically understood and agreed that First National Bank of New Braunfels, Texas, has advanced to Summerwood Property Owners Association, Inc., the sum of \$40,000.00 for the use and benefit of the Association to construct certain facilities on the common area described as Exhibit "A" attached hereto, and the assessments will be used to repay this indebtedness, and a first lien deed of trust has been executed by the Association against such Common Area to secure the payment of said debt.

Section 3. Basis and Maximum Level of Annual Assessments: The initial monthly assessment shall be Seven and NO/100 Dollars (\$7.00) per Lot. The maximum annual assessment may be automatically increased, effective January 1 of each year, by Two and No/100 (\$2.00) Dollars per month or by an amount equal to a ten percent (10%) increase over the prior years annual assessment, whichever is greater, without a vote of the Members of the Association. From and after January 1 of the year immediately following the conveyance of the first Lot, any monthly assessment in excess of Two and NO/100 (\$2.00) Dollars per month or ten percent (10%) must be approved by the Owners of two-thirds (2/3) of the Lots in the Subdivision. This increase shall become effective on the date specified in the document evidencing such approval only after such document has been filed with the County Clerk of Comal County, Texas, for recordation in the Deed Records of Comal County, Texas. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the monthly assessment at an amount not in excess of the maximum amount approved by the Owners.

Section 4. Special Assessments for Capital Improvement: In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction or unexpected repair or replacement of a particular capital improvement located upon Common Areas, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the written approval of the Owners of two-thirds (2/3) of the Lots in the Subdivision.

Section 5. Notice of Quorum for Any Action Authorized Under Sections 3 and 4: Written notice of any meeting of the Members of the Association called for purpose of taking any action authorized under Section 3 or 4 of this Article shall be sent to all Members and shall be posted at a public place within the Subdivision not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of the Members holding fifty percent (50%) of all membership votes entitled to be cast in each membership class or their proxies shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice and quorum requirements. In lieu of such a meeting and notice, a door-to-door canvass may be used to get the required written approval of the Owner's as hereinafter provided.

Section 6. Rates of Assessment: Both monthly and special assessments shall apply to all Lots, except those owned by the Declarant or Mortgagee and must be fixed at uniform rates.

Section 7. Date of Commencement and Determination of Annual Assessment: The monthly assessment provided for herein shall commence as to all Lots on the first day of the month following the conveyance of a Lot to a Purchaser. The first assessment shall be adjusted according to the number of months remaining in the calendar year. On or before the 30th day of November in each year, the Board of Directors of the Association shall fix the amount of the monthly assessment to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the monthly assessment shall be sent to every Owner of a Lot on January 1st and July 1st of each year in advance for the six (6) month period, or

as directed by the Board of Directors of the Association. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association: Any assessments or charges which are not paid when due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest from the due date at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Lot Owner personally obligated to pay the same, or foreclose the lien herein retained against the Lot. Interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. Each such Lot Owner by his acceptance of a Deed to a Lot, hereby expressly vests in the Association or its agents, the right and power to bring all actions against such Lot Owner personally for the collection of such assessments and charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien foreclosure on a real property, and such Lot Owner expressly grants to the Association a power of sale and non-judicial foreclosure in connection with said lien. No Lot Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. The provisions contained herein authorizing, allowing and providing for a change in the covenants and restrictions shall in no way apply to any covenant or restriction which provides for a monthly assessment. In other words, no vote taken by lot owners shall in any way relieve said lot owners of their obligation to pay the monthly maintenance assessment provided for herein.

Section 9. Subordination of the Lien Mortgages: As hereinabove provided, the title to each Lot shall be subject to the Vendor's Lien securing the payment of all assessments and charges due the Association, but this Vendor's Lien shall be subordinate to any valid purchase money lien or mortgage created for improvements covering a Lot. Sale or transfer of any Lot shall not affect this Vendor's Lien. However, the sale or transfer of any Lot which is subject to any valid purchase money lien or mortgage, pursuant to a judicial or non-judicial foreclosure under such lien or mortgage shall extinguish the Vendor's Lien securing such assessment or charge as to payments which became due prior to such sale or transfer. So long as Mortgagee owns a lot or Lots acquired through a judicial or non-judicial foreclosure, or by voluntary reconveyance from its debtor no charges or assessments shall accrue with respect thereto; however, upon a sale of such lot or lots to an Owner as herein defined, such lots and the new Owner thereof shall be responsible and liable for the payment of any charges or assessments thereafter becoming due in accordance with the terms hereof.

In addition to the automatic subordination provided hereinabove, the Association, in the discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein to any other mortgage, lien or encumbrance, subject to such limitations, if any, as such Board may determine.

Section 10. Exempt Property: All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot which has been sold shall be exempt from said assessments and charges. All lot owners shall pay the assessments and charges regardless, and this provision may not be changed by a vote of the property owners.

## ARTICLE V

### Insurance

The Association, through the Board of Directors, or its duly authorized agent, shall have the authority to obtain the following types of insurance policies:

- (a) Property insurance covering the Common Area and all improvements thereon in an amount equal to the full replacement

value of the improvements and facilities located upon the Common Area and owned by the Association (including all building service equipment and the like) with an "agreed amount endorsement" or its equivalent, a "demolition endorsement" or its equivalent, and, if necessary, an "increased cost of construction endorsement" or "contingent liability from operation of building laws endorsement" or the equivalent, affording protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsement in Texas, and by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage, and any such other risk as shall customarily be covered with respect to projects similar in construction, location and use;

- (b) A Comprehensive policy of public liability insurance covering all of the Common Area and insuring the Association, within such limits as it may consider acceptable (but with coverage of not less than \$1,000,000 for all claims for personal injury and/or property damage arising out of a single occurrence); such coverage to include protection against water damage liability, liability for nonowned and hired automobiles, liability for property of others, and any other coverage the Association deems prudent and which is customarily carried with respect to projects similar in construction, location, and use; and
- (c) A policy of fidelity coverage to protect against dishonest acts on the part of officers, directors, trustees, and employees of the Association and all others who handle, or are responsible for handling funds of the Association; such fidelity bonds shall be of the kind and in an amount the Association deems necessary for the protection of the Owners.

Premiums for all such insurance policies carried by the Association shall be a common expense payable by assessments on all Lots. Liability and property insurance for Lots and the contents of residences shall be the responsibility of each individual Owner. All proceeds from policies held by the Association shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a federal governmental agency, with proviso agreed to by said bank or institution that such funds may be withdrawn only by signature of at least two (2) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. In no event shall the insurance company or the bank or other financial institution holding proceeds on a policy issued in the name of the Association be authorized to distribute any proceeds therefrom to the Declarant. Proceeds from such policies shall be used by the Association only for the benefit of its Members and where such proceeds arise out of an occurrence in which a building or improvement owned by the Association is damaged or destroyed, they shall be used to repair, restore and rebuild such building or improvements. In the latter event, the Board of Directors shall advertise for sealed bids from licensed contractors, and upon acceptance of a bid received thereby, may negotiate with the contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed improvements or buildings. In the event the insurance proceeds are insufficient to pay all costs of repairing and/or rebuilding said improvements to their original condition, the Association shall levy a special assessment for capital improvements against all Owners to make up the deficiency. This shall be done only after compliance with all the requirements for imposition of special assessments.

The same sight line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No trees shall be permitted to remain within such distance of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

EXTERIOR WALLS: The exterior walls on all residences shall be of brick, stone, rock or wood. No asbestos siding in present form can be used on the exterior walls. The outer walls of the main residence building shall be at least sixty percent (60%) by area composed of rock, brick, stucco on tile, or stucco over wood framing, however, in the case of one and one-half story, two-story dwellings or a split level dwelling, part of which is two-story, the outer walls of the upper story area thereof may be exempted from the above masonry requirements provided that the plans and the materials specified for such upper story outer walls are approved in writing by the Architectural Control Committee named or referred to in said restrictions.

TERMINATION OF COVENANTS: These covenants are to run with the land and shall be

binding on all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, unless changed in whole or in part by an instrument signed by a majority of the then owners of the Lots, after which time such covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of Lots have been recorded, agreeing to change said covenants in whole or in part. These Protective Covenants or any provision hereof or any covenant, condition or restriction contained herein may be modified, amended, terminated or extended with the written consent of the owners of seventy-five percent (75%) of the Lot owners within SUMMERWOOD SUBDIVISION; provided, however, that so long as the Declarant owns at least five percent (5%) of the Lots within SUMMERWOOD SUBDIVISION, no such amendment, modification, termination or extension shall be effective without the written approval of the Declarant. No such modification, amendment, termination or extension shall be effective until a proper instrument in writing has been executed and acknowledged and filed for record in the real property records of Comal County, Texas.

MAINTENANCE OF LOTS: All Lots shall be maintained in a neat, tidy and trim condition at all times. All Lots with residences constructed upon them shall be maintained in a neat, tidy and trim condition at all times.

The owner and lessee of any property within SUMMERWOOD SUBDIVISION, UNIT III, shall have the responsibility of keeping the premises, building, improvements, appurtenances and landscaping in a well maintained, safe, clean and attractive condition at all times. If, in the opinion of the Architectural Control Committee, any such owner or lessee shall fail in his duty and responsibility of maintenance, the Architectural Control Committee may give such owner or lessee, or both, notice of such fact, and thereupon such owner or lessee, shall, within ten (10) days of such notice, undertake the care and maintenance required to restore said owner's or lessee's property to a safe, clean and attractive condition. Should any such owner or lessee fail to fulfill this duty and responsibility after such notice, the Architectural Control Committee shall have the right and power to perform such care and maintenance and the owner and the lessee, if any, of the property upon which said maintenance work is performed, and such Owner and Lessee shall be liable for the cost of such work and shall promptly reimburse the Architectural Control Committee for the cost thereof. Entry by the Architectural Control Committee, its agents or employees upon the property of the owner or lessee and all action taken thereupon in connection with the care and maintenance of such property shall not be deemed a trespass and all claims for damages by reason thereof are hereby expressly waived. If any owner or lessee shall fail to reimburse the Architectural Control Committee within thirty (30) days after being billed for the services herein set forth by such committee, then the cost of such services shall be a debt of such owner and the lessee, if any, payable to the Architectural Control Committee and shall be a lien against such owner's and lessee's interest in said property. If any legal or equitable proceeding for the collection of any such debt are instituted, the losing party or parties shall pay the attorney's fees of the prevailing party or parties in such amount as may be fixed by the court in such proceedings. The owner or occupant, as the case may be, agrees by the purchase or occupation of any Lot in this Subdivision to pay such statement immediately upon receipt thereof. All remedies provided herein or at law or in equity shall be cumulative and not exclusive.

RIGHT TO ENFORCE: Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants, either to restrain or to recover damages.

DRIVEWAYS: All driveways in the addition shall be concrete. No boat, trailer, or any portion thereof shall be parked on any Lot in front of the front main wall line of the respective house unless same be parked in a garage constructed as specified in these restrictions.
